DREW SLOAN

Client Solutions Associate at OPOWER

Please join Dr. Rachel Kleinfeld and Drew Sloan for the launch of their new book, "Let There Be Light: Electrifying the Developing World with Markets and Distributed Energy." We will discuss the role international development plays in a comprehensive national security strategy and how business and foreign investment can contribute positively at home and abroad.

Followed by a Cycle for Security Tour update from Truman Partner Janessa Goldbeck, about upcoming 4,200 mile bicycle tour across America to protect international development.

Please RSVP to Liz McKenna at emckenna@trumanproject.org by Tuesday, January 31st
